

# FLEXIBLE HAWAII EXTENSIONS

In order to offer you and your clients more possibilities to explore the beautiful Hawaiian Islands and experience the Aloha Spirit, we have changed our Hawaii Extension program to a more modular approach. Please find on the following pages programs for each of the islands that can be added on to any Motorcoach or Fly/Drive tour ending in San Francisco or Los Angeles.

Each package offers several hotels which were carefully selected to match any budget and choice of standard. Flight rates to and from the islands are not included. Please note that while no guided services will be provided on the single island packages, a local representative will be available to help our guests plan their stay.

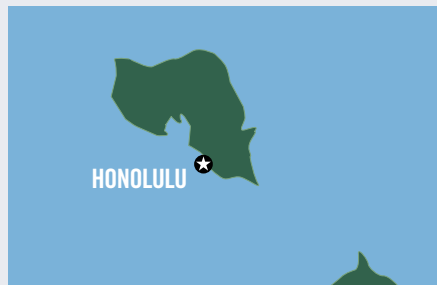

*Aloha!*
